b. **Advertisement** for each Vendor and the Market – we list you on three I-Phone friendly websites which will link to your site: BoltonLandingFarmersMarket.com, LakeGeorge.com; and BoltonChamber.com; the Market is updated weekly on Facebook including any specials the Vendors have; weekly print media ads, on-street signage, free brochures and a presence on all available Farmers Market listings.

c. **Activities and Promotions** are planned and advertised for each week

d. **Event Calendar** and map of vendors and locations

e. **Limited Vendors per product** – limited to locally grown, raised and prepared products including: produce, plants, cut flowers, dairy, poultry, meats, fish, maple syrup, honey, preserves, baked goods, refreshments and crafts. All prepared foods are made “from scratch” utilizing locally grown ingredients whenever possible. Only products grown, produced or made within the areas of Warren, Washington, Saratoga, Essex, Hamilton, Rensselaer, Montgomery or Fulton Counties may be sold at the market, with the exception of special permission by the Bolton Landing Farmers' Market Committee.

f. **Approved Vendors only:** All Vendors must have proper paperwork submitted and fees paid before they set up and sell. Vendors who are authorized to do so may sell local products from another approved Vendor who is unable to attend the market. No vendor may lease or sub-let his or her space.

2. THE MARKET IS OPEN RAIN OR SHINE. In case of a hurricane or tornado warning, or other Act of God type weather, the Market Manager will email and call all Vendors scheduled for the Market on Thursday evening to let them know. If something happens on Friday morning, all Vendors will be called ASAP, or please call the emergency numbers below. Please keep in mind that because of its location, Bolton Landing often has milder weather than is predicted for other areas.

3. A non-refundable membership and administration fee (\$30) is required to sell at the Bolton Landing Farmers' Market. Membership includes one person, household or business selling at one space (10' X 10' X 10') unless otherwise agreed upon. If two spaces are required, the second space is ½ the fee for the first space.

4. ABSENCES: Vendors are required to notify the Market Manager as soon as possible and no later than 5 pm on Thursday night if they are unable to attend.

We are a seasonal market and need to keep the Market full each week - any absences create a space in the Market layout. Unless notified, Vendor spaces will be reassigned after 8:30 am. A new Vendor map with vendor locations is available each week at the Greeter Table/Hub.

5. Vendors must comply with all Federal, State and Local laws and regulations applicable to their products. Copies of any necessary certificates, permits and licenses must be on file with the Bolton Landing Farmers' Market, or the vendor will not be allowed to set up at the market. It is the responsibility of vendors to comply with all packaging, labeling, grading, signage and pricing requirements applicable to their products, and providing that information to customers if asked.

6. SET-UP:

a. **Tents and weights: Vendors need to have tents** (provides visual consistency for the Market), and the tents must have **weights attached, at least 20 pounds per tent leg set up every day** – it can get windy in a hurry.

b. **Vendor signs:** Individual signs must be fastened to your tent for safety, or in solid frames and set within your vendor space to avoid tripping hazards. Vendor identification signage is required.

c. **Straight Lines: Vendors, please create a straight line of displays** to minimize the possibility of a customer mishap. Merchandise, boxes, tables, etc. are to be kept within the vendor's space, stored neatly and arranged so that customers don't trip over them.

d. **The size and location of the Vendor space is determined by the Market Manager,** based on the Vendor's needs. To reserve your space please send in your application and fees as soon as possible. Vendor identification signage is required.

7. SAFETY FIRST
